The world has changed a lot since CHOICES began in 1984. Our desire as a ministry, above all else, has been to be faithful to God's Word and the work He has called us to. Through every generation and every single mom and dad who chooses life, we are amazed by the miraculous ways we have seen God's faithfulness.

But our **faith requires action.**

Take action today and Walk for Life. **NOW is the time to step out, whether our culture moves forward or takes a giant leap back.** NOW is the time to step out into our THIRD strategic CHOICES clinic, located in Kissimmee. NOW is the time to trust God's faithfulness to show up when we take the steps He calls us to take.

**A step into the unknown. Unseen. Unsure.**

We invite you to STEP OUT as a fundraising Walker and celebrate a God who is **faithful through generations.** Let's celebrate 40 years of God's faithfulness and allow it to propel us forward into all He has planned for generations to come.
